

Mission Statement

The Snake River Community Association (SRCA) is dedicated to enriching the lives of Snake River area residents and visitors through cultural, educational and social activities. The SRCA will promote, support, and build facilities for such activities.

Statement of Need

The Snake River Basin has grown into a diverse community of full and part-time residents with a common interest in supporting and maintaining our special mountain quality of life. Every resident, second-homeowner, visitor, merchant, and employee has a role to play in shaping the future of the Snake River Basin Community.

The SRCA gives our community the opportunity to share in the development of our common future. The Pavilion at Keystone (PAK) provides the only community space in the Snake River Basin community for special events, performances, and concerts. The PAK hosts annual music concerts, comedy performances, theatre and musical theatre productions, art shows, and family and children's activities. Furthermore, it serves as a beautiful and functional space for wedding receptions and conference events.

The SRCA and Keystone Neighbourhood Company (KNC) produce annual events to entertain, educate, and enrich Snake River Basin guests and residents. As an SRCA member, you will support our event programming while receiving discounts, tickets, and additional incentives.

For more information on the SRCA, please call the Keystone Neighbourhood Company at 970.423.8996. We appreciate your support and welcome you as an SRCA member.
