Carpe Diem String quartet in residence at Ohio Wesleyan University is an exciting ensemble that has captured the imagination of audiences, the respect of the critics, and is one of the most versatile quartets of their generation. Carpe Diem has earned critical acclaim with innovative programming, electrifying performances, and a passion for audience engagement. The group's musical passion has led them down the paths of gypsy, tango, folk, pop, rock, and jazz inspired music, but the quartet is equally at home with the traditional string quartet repertoire. Carpe Diem has become the premier American indie string quartet. www.carpediemstringquartet.com.
