Description: On Friday mornings at the Quaking Aspen Amphitheatre, the new Warren Station at Keystone hosts Grimm's famous tale of Rapunzel, the beautiful maiden in the tower. When the famed Prince Charming arrives to rescue the princess in classic fable fashion, Rapunzel realizes an exciting world exists far beyond her storybook's pages. Joining up with a pair of two not-so-famous dwarves, Rapunzel rewrites her own story, breaking free from the fairytale's conventional chains and embarking on a musical journey of friendship, adventure, and self discovery the whole family will enjoy.

Named "Best Colorado Theatre West of Denver" by the Colorado Theatre Guild and "One of Colorado's Top Ten Theatres Outside Denver" by the Denver Post, the Lake Dillon Theatre brings you a high-quality, high-energy, high-altitude musical performance you won't want to miss.
