

WARREN STATION AT KEYSTONE

Location

The Warren Station at Keystone is located in the River Run Village at Keystone, Colorado. The physical address is 152 Ida Belle Drive, Keystone, CO 80435.

The Keystone Neighbourhood Company

The Keystone Neighbourhood Company, or KNC, is a 501 c (4) not-for-profit Colorado Corporation founded in 1995. The KNC's mission is to make the Neighbourhoods at Keystone a premier mountain community by creating and maintaining a high quality environment and investing in facilities and events that will attract residents and visitors and create a vibrant, four-season community.

Independent of Keystone Resort, the Keystone Neighbourhood Company works closely with Keystone to serve the guests and residents of Keystone and the Snake River Valley. The KNC hosts a variety of public events, including music festivals, concerts, theatre performances, comedy nights, children and family entertainment, and more. Additionally, the KNC hosts private events, including corporate functions and wedding ceremonies and receptions.

Venue Description

Nestled at the base of beautiful Keystone Mountain, the new Warren Station at Keystone is a 7,200 square foot community performing arts venue dedicated to providing the guests and residents of the Snake River Valley with year-round entertainment. The Warren Station at Keystone is a multi-use community facility with flexible general seating situated along the North Fork of the Snake River. The new facility features lush landscaping and foliage (seasonal), an expansive outdoor patio with an adjacent rustic fire pit surrounded by flourishing greenery (seasonal), and prime viewing areas toward the immediately adjacent Quaking Aspen Amphitheater.

The new Warren Station at Keystone is provided as a community facility by the Keystone Neighbourhood Company homeowners and members, and its indoor amenities include wall and ceiling treatments, state-of-the-art lighting features, and a full service bar featuring granite counter tops. Furthermore, guests will be greeted by an expansive pre-function lobby area with floor to ceiling windows facing the outdoor patio, leading edge technology in sound and lighting, and bathroom facilities. Additionally, the new facility will offer exceptional experiences for weddings and private events. Ultimately, the new Warren Station at Keystone will create a new social destination for entertainment and events in a relaxed, unique environment.

Mission

The primary mission of the Warren Station at Keystone is to entertain, educate and enrich the Snake River Valley community by making cultural arts come alive through the production of events and entertainment. The Warren Station at Keystone will provide a diversity of performing and visual arts in order to entertain and enrich the lives of Snake River Valley owners and guests.

Public Events and Programming

Since 2002, the former Pavilion at Keystone has established a reputation for excellence as a location site for event production. With the creation of the new Warren Station at Keystone, the Keystone Neighbourhood Company will continue to act as both presenter and producer of special events, offering a variety of public events to Snake River Valley guests and residents. Music concerts, stand-up comedy acts, film viewings, live theatre performances, and other cultural events will entertain, educate, and enrich the Snake River Valley community.

The Warren Station at Keystone and the Keystone Neighbourhood Company will continue to partner with and host community performing and visual art groups' concerts, performances, and special events. The KNC hopes that the Warren Station at Keystone will become a beloved site for non-profit and community programming.
